Sold**Item Reference: SA309949****Date of manufacture: 1900**

Description

This pair of antique French salon armchairs are still upholstered in the original needlepoint fabric which is still in very good condition. The wood is walnut or beech & it's beautifully carved. The open arms are padded & they are individually hand tacked all over. They are in good condition throughout & I would date them to around the 1910 period. I think one of the seats is dropping down a bit, because there is a loose web. This will be fixed before they go out. Width - 23.6", 60 cm Depth - 23.6", 60 cm Height - 34.2", 87 cm Seat height - 16", 41 cm
