Description

Good quality antique Victorian mahogany chest of drawers. This chest has a solid mahogany top, turned bun handles, locks & a good deep bottom drawer that comes out with the plinth attached. This is a large very solid chest with deep drawers throughout. It has a lovely warm original colour & is in good condition, with no splits or warps plus all the drawers glide okay. I would say it dates to around the 1860-80 period. There are also small bun feet on the bottom under the plinth. Width - 41.8", 106 cm Depth - 21", 53 cm Height - 41.4", 105 cm
