## Description

For sale is an early 19th century copy of a Jacobean chest of drawers. Made circa 1800, this chest is in excellent condition. The chest has one shallow top drawer and one deep top drawer. The bottom section too has a similar composition to the top, with two shallow drawers with two deeper drawers below. All of the handles are original to the chest, it has original iron locks, one lock is missing, which we can replace with a similar iron or steel lock if needed. The chest splits into two parts for ease of transport, so the chest can easily be taken up a small stair case. Width 32" Depth 23" Height 41"

Internal Ref: S20-146
