Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 9ct yellow gold case and is fitted to a beautiful herringbone design solid 9ct gold bracelet which looks and feels wonderful. It fits a wrist size of up to 7" but this can easily be reduced by any competent jeweller, it has a sprung safety clasp which will give you an extra 0.5" of stretch if required. It is quite stunning, the dial is in perfect unmarked condition. A new glass has been fitted and the case and bracelet professionally cleaned and polished so it is absolutely pristine. The calibre 483 movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Omega the watch is fully marked on the dial, movement and case, the bracelet and case are fully hallmarked. It comes complete with a new presentation box to keep your watch in perfect condition. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 18mm in diameter not including ...
