Price

Sold**Item Reference: SA312451****Date of manufacture: 1940**

Description

A vintage 1940s Swiss made wrist watch. The watch has a hand-winding movement which is ticking away nicely and the time keeping is good to within 2 - 3 minutes over a 24 hour period. The jewelled movement is stamped 15 jewels, Swiss made. The watch measures 27.5 mm wide excluding the winding crown and 27.5 mm high excluding the wire lugs. The plated case has some wear to the finish, particularly to the back, and some pitting although acceptable for a 1940s piece. The plastic lens is in nice condition. The dial is in its original finish and has faint surface marking although hardly noticeable. It has its original Breguet style hands. A new black leather strap has been fitted.
