

SA312552

Very small late 17th century
coffer

Price

Sold

Item Reference: SA312552

Date of manufacture: 1700

Description

This is the sweetest little oak plank coffer having a lovely patina. And interesting carving on the front. The size is great it is just 14" deep making it ideal for a narrow space. The width is 38". The height is 22". This really needs to be seen as it is a much warmer colour than it appears from the photos.
