Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 562 24 jewels fully automatic movement, as you can see it is in fabulous condition. The restored silver dial is in superb condition and of course has the date aperture. It has gilt dagger hands and baton markers. It also the Omega symbol on the crown and the Seamaster logo embellished on the back of the case which is bright and crisp. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown. Overall this watch is in outstanding original condition and highly sought after by Omega collectors indeed it looks as if it was rarely worn, indeed it is one of the best we have ever seen. The watch has been fully serviced by Omega specialist Alan Williams FBHI and is guaranteed to be a genuine Omega in all respects. It...
