Description

Outstanding Omega solid 18ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is one of the very first solid 18ct gold Omega fitted with the highly reliable calibre 354 'bumper' automatic movement. An Omega "bumper" is a vintage Omega that has a "bumper" automatic movement rather than a full rotation rotor automatic. The oscillating weight makes a partial rotation before "bumping" into a cushioning spring, it is extremely rare to find this in a solid 18ct gold case. The two tone dial with gilt numerals and baton markers is in mint unmarked condition. It has gilt hands. It also has the original solid gold mushroom crown, the Omega logo was not put on the winding crown until much later. It has been professionally serviced and a new glass has been fitted and is in exceptional condition. As you would expect the watch is fully marked on the dial, movement and case. It comes with a brand new high quality presentation box. The solid 18ct gold case is marked with Swiss marks. It comes complete with a new premium quality leather strap. Omega are one of the most exclusive watchma...
