Description

Good quality antique mahogany Victorian chest of drawers of small proportions. It's very rare to find one this small in such good original condition. This chest has a solid mahogany top, turned bun handles, locks & a good deep bottom drawer that comes out with the plinth attached. It also has a wonderful original colour & patina, so has loads of character. This chest has curved corners & sits on short bun feet. I would date it to around the 1860's period. Width --- 35" (89 cm) Depth --- 20" (51) Height --- 35" (89) PLEASE LOOK AT MY WEB SITE www.churchstreetantiques.net FOR MORE IMAGES & MORE ITEMS
