Antique William IV Mahogany Writing Table

Sold**Item Reference: SA313723****Date of manufacture: 1800**

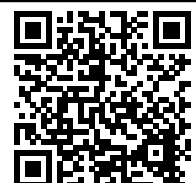

Description

This antique mahogany table could be used as a desk, side table or dressing table. It's wonderful quality, in great condition & I would date it to around the 1830-40's period. It has the look of a 'Gillows' piece, but it's not signed. The drawers have the original turned handles & fine dovetails. It also has beautifully turned reeded legs. It makes a change to find a piece like this that hasn't been leathered, so it has more versatility. Width - 42", 107 cm Depth - 21", 54 cm Height - 32", 82 cm PLEASE LOOK AT MY WEB SITE www.churchstreetantiques.net FOR MORE IMAGES & MORE ITEMS
