Description

Antique Victorian mahogany chest of drawers with a cross banded mahogany top, rounded corners, turned bun handles, locks & a deep bottom drawer that comes out with the plinth attached. This chest has deep drawers throughout with beading on the edges. It's in good condition, with no splits or warps plus all the drawers glide okay. I would say it dates to around the 1860-80 period. There are also small bun feet on the bottom under the plinth. Width - 40.5, 103 cm Depth - 19", 48 cm Height - 41", 104 cm PLEASE LOOK AT MY WEB SITE www.churchstreetantiques.net FOR MORE IMAGES & MORE ITEMS
