Description

Fully restored and serviced with a 12 month warranty. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. This is the classic calibre 267 17 jewel manual wind movement as used in British military watches and is highly reliable. The silver dial has that starburst effect which is just incredible and changes with the light - it is completely original and has not been restored or refinished, probably the best example we have ever come across. It condition and it has gilt hands and baton markers. It has a heavy solid 18ct rose gold case, Omega rose gold crown and a genuine rose gold plated Omega buckle. It has been professionally serviced and a new glass has been fitted. The case has been professionally polished so it is in exceptional condition. It comes with a brand new premier grade genuine leather strap. The case measures 35mm in diameter not including the crown. As you would expect the watch is fully marked on the dial, movement and case. The serial number dates this watch to 1956. It comes complete with a presentation box to keep your watch in perfect condition. Omega are one of the most exclusive wa...
