Description

A gents 1930s Art Deco wrist watch. The watch has a Swiss hand-winding movement which is ticking away nicely and the time keeping is good to within around two minutes over 24 hours. The watch measures 24mm wide excluding the winding crown and 42mm high including the lugs. The case is gold filled. There is some rubbing to the plate on the angled edges, and some marking, but overall the condition is acceptable for such an early piece. The dial has a lovely Art Deco stylised appearance with square numbers, a rectangular subsidiary seconds dial and an outer minute track. The hour and minute hands are a charming feature. A new dark brown leather strap has been fitted. FREE WORLDWIDE SHIPPING
