

SA315343

FINE 18th CENTURY TURNED LIGNUM MORTAR. C. 1750

Price

Sold

Item Reference: SA315343

Date of manufacture: 1750

Description

Fine mid 18th century turned lignum mortar of a gorgeous shape and colour. Large size 5 1/4" diameter by 6 1/2" high. The most gorgeous piece of wood has been used with a distinctive change between the dark hardwood and the lighter outside wood. Good condition for age. One of four early mortars all recently purchased from a private collection.
