Antique French Gilt Wood Marble Top Console Table

Sold**Item Reference: SA315563****Date of manufacture: 1920**

Description

This antique French marble top gilt wood console side table has a wonderful shape & has lots of carving. It has the original marble top which just lifts off. What's particularly nice about this table is the slimness from back to front. The original gilt work has been worked on, because it was flaking a bit, so now it is fine & has a nicely aged look. I believe it was made in the 1920-30's period. Length - 49", 125 cm Depth - 12.3", 31 cm Height - 35.5", 90 cm
