Description

Antique Edwardian 2 door solid mahogany bookcase in good original condition & of excellent construction. It has a reeded top edge, 2 astral glazed doors with adjustable shelves inside & sits on ogee bracket feet. I don't know why, but in the images it looks a bit beaten up, which is inaccurate. There are quite a few indentations in the surfaces & I think the camera lighting angle has made it look quite bad, when zoomed in. In real life you don't really notice them, & the couple of noticeable scratches has since been polished out. This bookcase also has a lock & key. Width - 48", 122 cm Depth - 12.2", 31 cm Height - 47", 120 cm
