Description

Fine quality walnut cocktail cabinet, with burr walnut doors, good carving & etched brass escutcheons. The front door panels are a beautifully figured burr walnut, the sides are burr walnut too, all the corners are canted & it sits on solid walnut carved legs. The top interior of this cabinet is stunning & is all figured walnut with a pull out mirrored slide for serving drinks on & many more features. It's antique Queen Anne style, probably made around the 1920-30's period & is in great condition, having just been polished. The burr walnut veneers on this piece are exceptional quality & provide a wonderful pattern. This is definitely one of the best examples of this kind of cocktail cabinet that I have had. Please take an enlarged look at all the beautiful features, especially the depth of carvings, escutcheons & veneer patterns. There is an inside light in the top half, but that should be checked by an electrician before using. This cabinet splits into 2 sections for easier transportation, because it's very heavy. Width - 37", 91 cm Depth - 20", 47 cm Height - 67.5", 171 cm PLEASE CHECK MY WEB SITE www.churchstreetantiques.net FOR MORE IMAGES & MANY MORE ITEMS
