Description

A vintage 1920s 8 day pocket watch. The watch has a stem-winding movement which is ticking away and the time keeping is good to around 2 minutes over 24 hours. The watch runs for around 5 - 6 days on a full wind. The high grade jewelled movement is stamped +7032. The watch measures 53.1 mm diameter excluding the winding crown and the loop. The case is nickel plated and has some wear to the back but otherwise it is in nice condition. The watch lens is plastic and is in nice condition with only the odd minor mark. The white enamel dial has 8 days to the centre and has a faint hairline crack but otherwise it is in nice condition. The watch has its original blued steel hands. Price includes free worldwide postage
