Description

Beautiful condition, professionally serviced with a 12 month warranty. This is a very fine and exquisite example of a ladies wristwatch made by the world renowned premier Swiss maker Longines. It has a solid 18ct gold case and the most beautiful lugs with diamonds and rubies -very much of the Art Deco era in design. As you would expect from Longines the diamonds are bright, crisp and evenly matched and the rubies are quite superb. It is attached to a solid 18ct gold snake skin design bracelet which simply glides around the wrist and will fit a maximum wrist size of 6.25 inches but this can easily be reduced by any competent jeweller. The measurement for the whole of the case including the lugs is 30mm long by 15mm wide not including the crown. It is quite stunning and the dial is in perfect unmarked condition. A new glass has been fitted and it has been professionally cleaned and polished so it is absolutely pristine. The 17 jewel is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Longines the watch is fully marked on the dial and movement and the case is marked 18k ...
