Sold**Item Reference: SA316939****Date of manufacture: 1900**

Description

Large antique 1900 silver Lancashire Watch Co English Lever pocket watch. The watch has a key winding movement which is ticking away nicely and the time keeping is good to around three minutes over 24 hours - a winding key is included. The movement is numbered 492999 and it has its original dust cover. The watch measures 57.8 mm diameter excluding the winding crown and the loop. The case has Chester hallmarks for 1900 with the case makers mark T.P.H. (Thomas Peter Hewitt, The Lancashire Watch Company). The case is in nice condition with only the odd minor mark. The watch lens is glass and is in nice condition. The white enamel dial is signed Improved Patent, English Lever. It has a small hairline crack below the sub second dial but otherwise it is in nice condition with original hands. FREE WORLDWIDE SHIPPING
