Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 9ct yellow gold case with decorative lugs. It is quite stunning with a silver dial and the facet crystal cut glass with gilt hands and batons, all are in perfect condition with no scratches. It also comes with its original solid 9ct gold Omega buckle and the winding crown has the Omega logo on it. The calibre 484 movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Omega the watch is fully marked on the dial, movement and case. It comes complete with its presentation box and outer box to keep your watch in perfect condition. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 17mm in diameter not including the crown. Overall this watch is in beautiful condition and looks as if it was rarely worn, it would certainly make a perfect gift. The watch has just been fully overhauled, restored and serviced and is guaranteed to be ...
