Description

A good Edwardian two door display cabinet in the Sheraton revival style. Made from solid mahogany and inlaid with satinwood banding and stringing and roundels to the pediment. The pair of glazed doors open to access a shelved and lined interior (the lining is original to the cabinet but somewhat worn, we could arrange for re-lining if required). The top section has an elegant broken arch swan-neck pediment sitting over an inset mirror. The whole cabinet stands on square tapering legs, united by an under-shelf and terminating in spade feet. This elegant cabinet is offered for sale in very good original condition. Dimensions Width 108cms Depth 39cms Height 209cms
