Description

Fabulous quality throughout this very useful piece of furniture. The carving is crisp and carried out by a true craftsman. Scrolling Cabriole legs to the front with a carved frieze set just below the upholstery line. I feel that the photos are enough to describe this great addition to our stock. I am also sure that this will look great in any room of the home. It does require upholstering with a fabric of your choice. Delivery and shipping is always a pleasure so please do contact us. Thanks for looking. Best wishes chris
