Antique three pillar dining table

Price

Sold**Item Reference: SA317469****Date of manufacture: 1800**

Description

An antique three pillar dining table in well figured mahogany: the top and bases are Georgian but screw holes under the top suggest it was from another table. However I am confident that they have been together some considerable time. 49.5" wide x 154" long with leaves / 105" long without leaves
