

SA317794

Vintage 1923 silver Swiss stem winding pocket watch

Price

Sold**Item Reference: SA317794****Date of manufacture: 1920**

Description

A vintage 1923 silver Swiss pocket watch. The watch has a stem-winding movement which is ticking away and the time keeping is good to around 2 - 3 minutes over 24 hours. The movement is stamped 15 jewels, 3 adjustments, Swiss made. The watch measures 50.7 mm diameter excluding the winding crown and the loop. The case has Birmingham hallmarks for 1923 with the case makers mark A.L.D. (Dennison Watch Case Co Ltd). The case has light surface marks from use and the odd small "ding" to the back but overall it is in nice condition for its age. The watch lens is in nice condition with only the odd minor mark. The white enamel dial has Swiss made at the bottom and is in nice condition. The watch has blued steel hands. Price includes free worldwide postage.
