Description

An impressive Georgian longcase clock. A mahogany case with choice grain. A swan-neck hood pediment with central brass finial and paterae. Corinthian capped fluted hood columns. Brass capped side columns to the trunk door. An arched brass and silvered dial with date and seconds dials. A well engraved dial centre and a painted scene to the arch signed 'James Scholfield Barnsley'. An 8-day duration mechanism striking the hours on a bell. James Scholfield is recorded in Loomes 'Clockmakers of Northern England' book as born in 1738 and died 1775. A very similar dial is illustrated in the book. Height 7ft 11" / 243 cms. From Kembery Antique Clocks Ltd you can expect a genuine clock which has been overhauled mechanically to a high standard and has a written guarantee. We personally deliver and set the clock up in your home, for overseas customers we offer professional packing and insurance in transit. Please contact us for a quote.
