Antique Swedish Marble Top Bombe Commode Chest

Sold**Item Reference: SA318239****Date of manufacture: 1910**

Description

Antique Swedish marble top bombe commode in good original condition & with lots of character. It has a wonderful shape & the marble top has a lovely grain. I don't think the marble is sitting quite right in the images, but I will check that thoroughly & sort it out if it's necessary. I think the main wood used is Kingwood & walnut, plus there are cross bandings, parquetry & inlays all over. There are also gilt metal handles & mounts. This commode is quite old, probably dating to around the 1910-20's period. I haven't had this piece polished, because it looks good enough to me, so there might be one or two very minor nicks or marks, but nothing untoward. This way I can keep the price down. Width - 39.5", 100 cm Depth - 19", 48 cm Height - 32.3", 82 cm
