Description

Very stylish pair of original Swedish Art Deco armchairs. The wood is satin birch & has a lovely silky patina. These armchairs have recently been recovered & are very comfortable. They have a great shape & would mix well with contemporary or traditional settings. I believe they date from around the 1930-50's period. I've seen similar models being sold on other prominent web sites for in excess of £4,500. Width - 26.8", 68 cm Depth - 32.3", 82 cm Height - 27.6", 70 cm Seat height - 16", 40 cm
