Antique 'Fine Silver' fob watch and watch chain

Price

Sold**Item Reference: SA318394****Date of manufacture: Victorian**

Description

An antique 'Fine Silver' fob watch and chain. The watch has a key-winding movement which is ticking away nicely and the time keeping is good to within around two minutes over 24 hours. A winding key will be included. The watch is protected by an inner hinged cover. The watch measures 40mm diameter excluding the stem and the loop. The case is 'Fine Silver' which is a higher purity (99.9%) than sterling silver which is 93.5%. The case is beautifully detailed and the condition is good with just light surface marks. The watch glass is in good condition with just one small chip to the bevelled edge. The enamel dial is pretty with a pale pink ring running through the numbers, pretty detail to the centre and an outer minute track. There is a line, about 3mm long, to the dial but other than that, it is in good condition. The watch comes on a silver double watch chain; each chain measures 19.5cm long including the T-bar and the clasp.
