Description

An antique 9 carat rose gold swivel. The swivel has a blood stone to one side and a carnelian to the other; there are some surface marks to the stones. The circular section which contains the stones measures 17mm diameter. There are hallmarks to the side for Birmingham 1913, with a maker's mark which is difficult to read but appears to be for Pearce & Thompson. There is some unevenness to the gold around the stones; the stones are nice and secure. PRICE INCLUDES WORLDWIDE POSTAGE
