Description

This Charming Old Oak Georgian Chest of Drawers started life as a Book Press sadly the press which would have been on the top of the chest has long gone. The Chest has two short drawers at the top and three longer graduated drawers beneath and it has brass swan neck handles. The top of the chest is a bit lighter than the rest of the chest; it may have been in the sunlight and this would cause bleaching, but it has the most wonderful patina. The chest has bracket feet and a shaped apron at the bottom. The chest is of very solid construction; it has no creaks, splits or woodworm and the drawers run very smoothly, but there are some ink stains on the top. The chest measures 35" high, 34" wide and 19" deep. FR439 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk.
