Description

A stunner of a scent bottle made from beautiful hand-blown Bristol Blue glass with a ground pontil mark to the underside. The glass is smothered in the most gorgeous Art Nouveau silver overlay with a heart to the front and reticulated heart motifs around the bottle. These are rarely hallmarked but this one does have a full English hallmark for Birmingham 1910 and the maker's initials H.H.F. Excellent condition, measuring 3 1/2" tall.
