Description

This antique burr walnut low-boy or chest on stand is really good quality & has some great features. It has a burr walnut crossbanded top & drawer fronts. All the drawers have the original brass hardware & they have locks too. This chest also has canted corners & it sits on a separate base with Queen Anne legs. I would date it to around the 1890-1910 period & it's in good original condition. It's also quite a rare item & I especially like the four drawer format, plus the fact that it has small proportions. Width - 31", 79 cm Depth - 17.3", 44 cm Height - 32", 81 cm
