Description

Good quality antique Victorian mahogany chest of drawers with curved corners. This chest has a solid mahogany top, turned bun handles, locks & a good deep bottom drawer that comes out with the plinth attached. This is a large very solid chest with deep drawers throughout. It has a lovely warm original colour & is in good condition, with no splits or warps plus all the drawers glide okay. I would say it dates to around the 1860-80 period. There are also small feet on the bottom under the plinth. Width - 42", 107 cm Depth - 20", 51 cm Height - 42", 107 cm
