Description

Very stylish pair of original Swedish Art Deco armchairs. The wood is satin birch & has a lovely silky patina. These armchairs have recently been recovered & are very comfortable. They have a great shape & would mix well with contemporary or traditional settings. I believe they date from around the 1930's period. I've seen similar models being sold on other prominent web sites for in excess of £4,500. Width - 25.6", 65 cm Depth - 30", 76 cm Height - 29.5", 75 cm Seat height - 16", 40 cm
