

SA322955

Gents 1950s Allaine automatic wrist watch

Price

Sold**Item Reference: SA322955****Date of manufacture: 1950**

Description

A gents 1950s Allaine wrist watch. The watch has an automatic movement which is ticking away nicely and the time keeping is good to within around two minutes over 24 hours. The watch measures 33mm diameter excluding the winding crown and the lugs. The case is rose gold plated; there is some wear to the plate on the lugs and on the angled edges but luckily the base metal is gold in colour so the wear does not show too much to the naked eye. There is some wear to the plate on the winding crown. The screw-on case back is stainless steel. The lens is in lovely condition. The dial has super vintage appeal. It is signed Allaine, 25 Rubis, Automatic, Incabloc, Waterproof, Unbreakable Mainspring. It has an interesting textured dial, original dauphine shaped hands and a centre seconds hand. There is some discolouration to the dial but overall it has a great look. A new black leather strap has been fitted. PRICE INCLUDES WORLDWIDE SHIPPING
