Sold**Item Reference: SA322981****Date of manufacture: 1920**

Description

A good quality solid oak wellington chest secretaire dating 1925. The chest has 7 oak lined drawers with moulded fronts and bronzed drop handles. The middle front section lowers on hinges to reveal a fitted document compartment. The right hand side of the chest is fitted with a hinged locking system which is split in to 2 for locking the upper and lower section independently - typical wellington chest arrangement. All locks, handles and hinges are original. The patina and finish is all original and has good finish and colour. There are obviously marks commensurate with its age, but overall it is in excellent condition as can be seen from the images. The presentation plaque reads "Presented to Mr J Harral Barnsley 1925" From research it appears Mr Harral owned a well known Jewellers shop in Barnsley from Victorian times through to the 1980's - hence the quality of the cabinet. Dimensions; 5ft tall 2ft wide 18" Deep UK delivery can be arranged at a cost of £70 - £100 for most UK mainland destinations. For overseas shipments please contact us for a shipping price.
