Description

A Charming Georgian Dresser top, or possibly a former shop fitting, this superb and very large heavy piece is made in oak and retains its genuine original shabby painted finish. This is lovely piece I expect that originally it stood on a dresser base but it could have been on a wall, it has 5 long shelves with plate rails, the shelf is painted in shabby cream and has a little of the detail picked out in a very pretty duck egg blue. This is a 18th C piece it still has its original finish, which is in remarkably good condition for its age, it is very heavy and difficult to manoeuvre. The shelf 61" high, 101" long, it is 17" deep at the base, and 10.5" deep at the top LF287.
