## 1920s Oak Cupboard with Drawer

Price

**Sold****Item Reference: SA323880****Date of manufacture: 1920**

## Description

A vintage oak cupboard with drawer dating from circa 1920. Having a short raised back, beaded details to the drawer and single door cupboard below. Of Jacobean revival design, in a really warm highly figured oak with wonderful patina. It has a towel rail/umbrella stand to one side and would work equally well as a piece of bedroom furniture or as a hall cupboard. Construction/Wood: Oak / Oak Faced Plywood Condition Report: Solid and sturdy with wear and marks commensurate with age. Door is slightly warped. Raised back tipped forwards slightly. Dimensions: Width: 35 inches Depth: 18 inches Height at front: 31 inches Height at Back: 34 inches
