Description

Beautiful walnut bureau of wonderful quality with stepped interior and sunken well and the added feature of a book rest on the fall. Lovely detail with featherbanding and cockbeading to the drawers and standing on bracket feet. In my opinion the interior green baize should be replaced with a good quality leather which we can undertake in our own workshop. This bureau does need some restoration which we will carry out in our own workshops to a very high standard. All work required to bring this bureau to a superb condition will be included in the asking price. measurements are: 36 inches wide 20.5 inches deep 39.5 inches high Delivery for this Bureau is free to any UK address.
