

SA324321

Gents 1950s Altitude Sprint hand winding wrist watch

Price

Sold**Item Reference: SA324321****Date of manufacture: 1950**

Description

A gents 1950s Altitude Sprint wrist watch. The watch has a hand-winding movement, with 21 jewels, which is ticking away nicely and the time keeping is good to within around two minutes over 24 hours. The movement is stamped Altitude, Jauge reserve. The watch measures 32.8 mm diameter excluding the winding crown and 40.2 mm including the lugs. The stainless steel case has light surface marks from use but otherwise it is in nice condition. The screw-on case back is stamped stainless steel, bagobloc and water protected although with any vintage watch I would not rely on it being water protected. The lens is in good condition. The dial is signed Altitude Sprint, 21 Jewels, Incabloc with Made in France at the bottom. The dial has light discolouring but otherwise it is in nice condition. The watch has its original hands. A new black leather strap has been fitted. Price includes worldwide postage.
