A Pretty Victorian Armchair

Price

Sold**Item Reference: SA325016****Date of manufacture: 1880**

Description

A very good quality buttoned back armchair. The interesting shaped frame with a serpentine front faced seat , exquisitely covered in a beautiful embossed cotton material. Sitting on two turned mahogany front legs and two shaped rear legs. Not only a comfortable and practical armchair but also a 'stunning looker', that would sit easily in both traditional and contemporary settings. Worth seeing to appreciate the quality.
