Description

Outstanding Omega solid 14ct gold gents wristwatch. This is an incredible example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. This is an exceptional and extremely rare Omega Seamaster Automatic, the very first Seamaster chronometer calibre 352 with micro adjust regulator. The dial is has been professionally restored and is in mint condition. As you would expect the watch is fully marked on the dial, movement and case. The heavy solid 14ct gold case is fully hallmarked and of course it has the Seamaster logo on the crown. It comes complete with a new premium quality chestnut brown leather strap. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by Omega collectors indeed it looks as if it was rarely worn, this is the only example of this model we have ever come across. The watch has been fully serviced by Alan Williams FBHI and is guaranteed to be a genuine Omega in all respects. It has been profession...
