Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid platinum case surrounded by a row of diamonds and then the 18ct rose gold which is a wonderful contrast to the 9ct white gold snake design integral bracelet which simply glides around the wrist. There is then more diamonds to the lugs. As you would expect from Omega the diamonds are bright, crisp and evenly matched weighing approximately 1ct in total. The case was bespoke made by Vertex. It is quite stunning with a silver dial which is in perfect condition. A new glass has been fitted and the watch and bracelet professionally cleaned and polished so it is absolutely pristine. It is fully marked as platinum on the case and the bracelet is fully hallmarked. As you would expect from Omega the watch is fully marked on the dial and movement. It comes complete with a new presentation box to keep your watch in perfect condition. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch head measures 19mm in diameter not including the crown. It fits a...
