Pair of Antique Upholstered Wing Back Armchairs

Sold**Item Reference: SA327604****Date of manufacture: 1910**

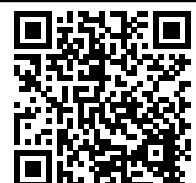

Description

This very impressive pair of antique wing armchairs have a great look & are very comfortable. I would date them to around the 1910-20's period. When I got these all the upholstery was hanging off, so I had them completely re-upholstered in a very strong heavy weight neutral fabric. They are fully upholstered with the original springs & have new feather filled cushions. They also have hump backs & sit on claw & ball feet. I am very tempted to take these home, because they are so comfortable. There are a matching pair of footstools that are available separately. Please note there is a large 3 seater matching wing back sofa coming in soon. Whoever buys this pair can have first option on this piece. Width - 34", 86 cm Depth - 31", 79 cm Height - 44.5", 113 cm
