Description

Very impressive figured walnut antique Victorian cabinet with wonderful marquetry & fine inlays all over. It also has the original gilt mounts on top of the sides. This cabinet is in lovely condition having just been French Polished & it has a working lock & key. The top is also inlaid & it has a shaped out plinth. The floral marquetry on the piece is stunning & all original. There is a lot of fine detail within the cabinet, so please enlarge all the images. I would date it to around the 1860's period.
