Description

Large 19th Century Adams Style Cast Iron Fire Place This 19th Century Adams Style FirePlace was rescued from a Victorian House during extensive renovations The Fireplace is Cast Iron, the fire opening has double corinthian columns on either side and the panels above are decorated in the Robert Adams style with swags and flowers, the detail of these is very fine indeed The Fire place is in Good condition structurally, it has been painted and this is somewhat flakey and could do with being stripped The mantle shelf can be removed but otherwise please be aware that this is a very heavy piece, The fireplace is 51" high, 74" wide and 14" deep, the fire inset is 37" wide and 38" high MG143 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary from 7 to 28 days We only operate an online store and regrettably viewing in person is not an option. In the unlikely event you wish to return an item you should contact us immediately. We will then arrange for you to return it to us at the buyer's expense, the item must be returned back with us in the same condition as it left and a fu...
