VICTORIAN STAINED GLASS AND BRASS HALL LANTERN

Price

Sold**Item Reference: SA328553****Date of manufacture: 1880**

Description

This attractive VICTORIAN STAINED GLASS and BRASS HALL LANTERN dates from circa 1880. The LANTERN can be hung using the original barley twist brass pole. For a shorter drop, the pole can easily be unscrewed and chains hung from each corner of the lantern. The stained glass is free from cracks or chips and the whole lantern is fit for purpose. It is sold as a collector's items and would need rewiring by a qualified electrician before use. Height including pole: 40.25 inches (102 cm) Height of Lantern including domed straps: 13 inches (33 cm) Width of Lantern: 6.25 inches (16 cm)
