Pair of Antique Carved Walnut Tapestry Armchairs

Price

Sold**Item Reference: SA328577****Date of manufacture: 1880**

Description

Stunning pair of high back antique carved walnut armchairs upholstered in the original needlepoint fabric. The needlepoint is in great condition & is hand tacked around the edges. The backs were both quite torn & tatty, so we recovered them in a different fabric. The old fabric that was on the backs was just a plain faded black. These chairs are very sturdy & the solid walnut frames are beautifully carved all over. Please enlarge all the images to appreciate the depth of carving & the splendid details on the tapestry. These armchairs are fairly large & very impressive. I suppose they are Carolean style & I would say they date to around the 1880's period. They look like they have come out of a castle or stately home. Width - 27.5", 70 cm Depth - 27.5", 70 cm Height - 44", 112 cm Seat height - 17.3", 44 cm
