Sold**Item Reference: SA328748****Date of manufacture: 1920**

Description

Fine quality walnut cocktail cabinet, with burr walnut doors, good carving & etched brass escutcheons. The front doors are a beautifully figured burr walnut, while the sides are figured walnut. All the corners are canted & it sits on solid walnut carved legs. The top interior of this cabinet is stunning & is lined in sycamore with a pull out mirrored slide for serving drinks on & many more features. It's antique Queen Anne style, probably made around the 1920-30's period & is in great condition, having just been polished. The burr walnut veneers on this piece are exceptional quality & provide a wonderful pattern. This is definitely one of the best examples of this kind of cocktail cabinet that I have had. Please take an enlarged look at all the beautiful features, especially the depth of carvings, escutcheons & veneer patterns. There is an inside light in the top half, but that should be checked by an electrician before using. This cabinet splits into 2 sections for easier transportation, because it's very heavy. Width - 35", 89 cm Depth - 17.7", 45 cm Height - 64.5", 164 cm Important! Many more detailed images on my main Church Street Antiques web site - see link on Ho...
